PLANNING DEPT. CASE NO.: RE/PUD-91-90

This petition for designation of a PUD, and outline plan approval, was approved by the Plan Commission on 28 January 1991.

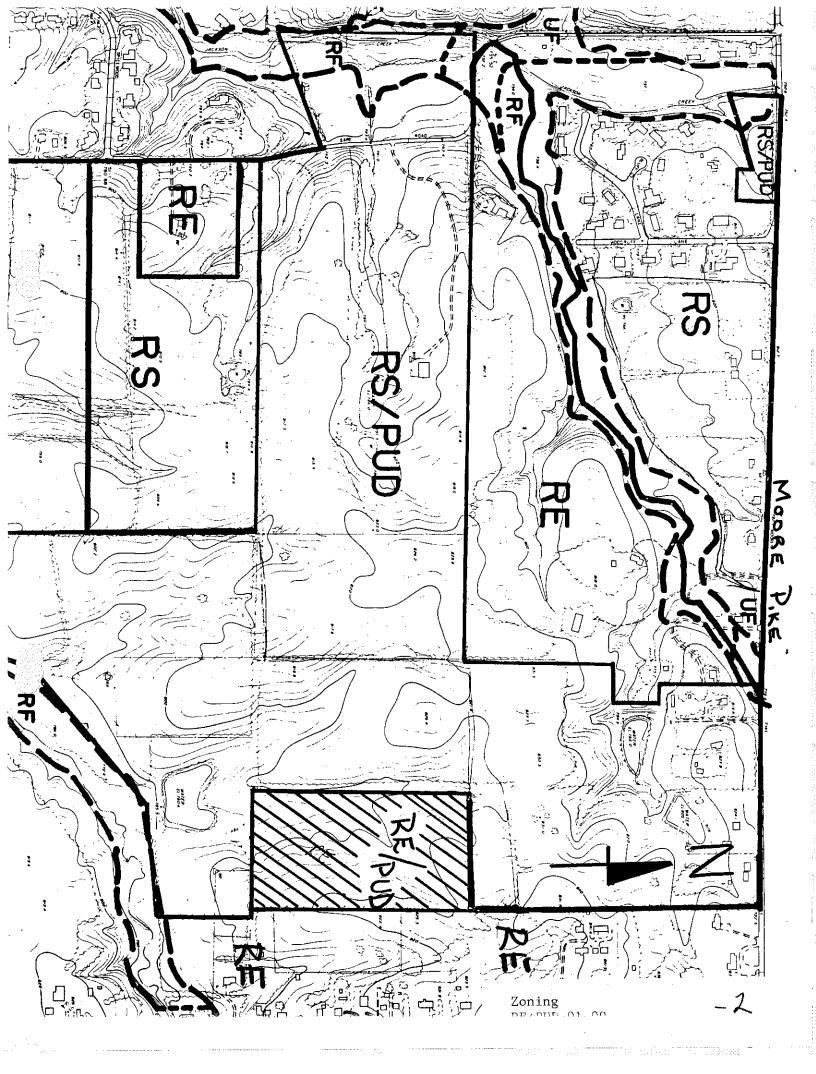

The approval was for 36 single-family lots on 18 acres of RE zoned land.

The terms of the Plan Commission's approval stipulated the following:

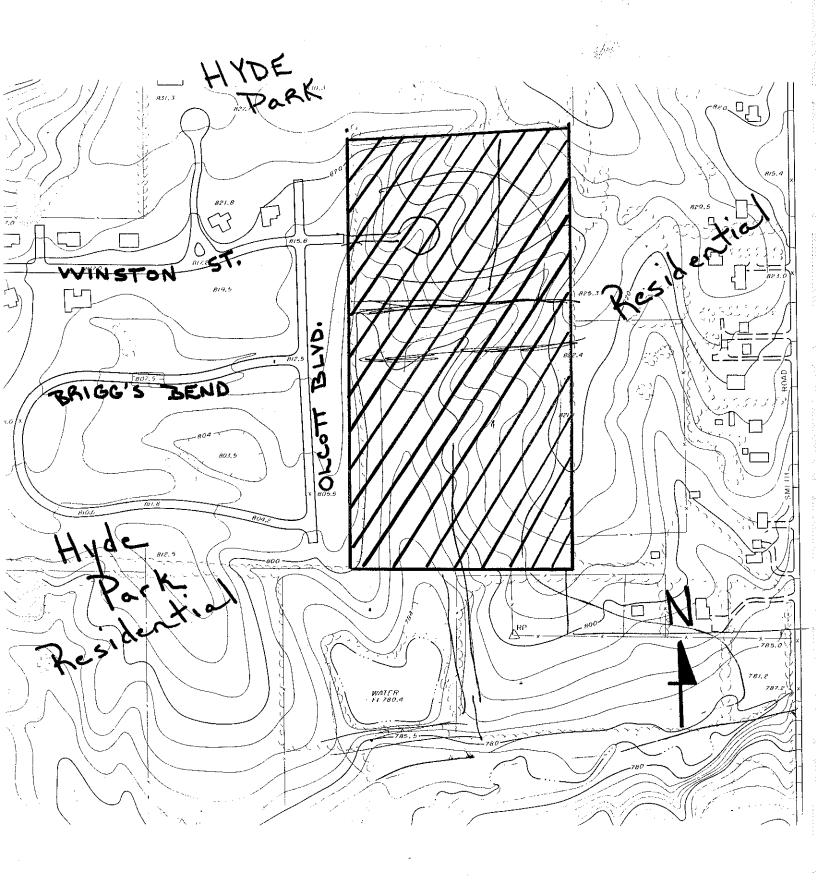

- The Plan Commission reserves the right to require a road stub to the south perimeter of the PUD if deemed necessary at the development plan stage;
- 2) The Plan Commission gave notice to the petitioner and other citizens that land to the south of the PUD may develop at a higher density than previous developments in this area; and
- 3) The Plan Commission and the Staff reserved the right to impose any forthcoming master plan restrictions regarding tree preservation and erosion control.

Included with this memo are site exhibits.
